

Lesson 19

1 PHRASE OF THE DAY

今日のフレーズ

Actually, that is not a bad idea.

実際のところ、それは悪くない考えですね

2 SITUATION

状況

John is introducing a new product.
ジョンは新製品の説明をしています。

3 DIALOGUE

ダイアログ

Directions: First repeat after your tutor and then practice each role.

John: I would like to introduce our new smart product which you can use to video chat with people anywhere in the world.

Yuta: But there are so many products out there similar to this. What makes this one so special?

John: Our uniqueness comes from being able to make a free telephone call to anywhere in the world for two minutes to invite someone to the video chat.

Yuta: **Actually, that is not a bad idea. With other systems, we need to wait until someone comes online.**

John: I am sure you will enjoy this advanced technology.

4 VOCABULARY

語い

Directions: First repeat after your tutor and then read aloud by yourself.

smart スマートな、賢い

uniqueness ユニークさ

systems システム、手順

technology 科学技術

Lesson 19

5 LANGUAGE FOCUS

今日のポイント

Actually, that is not a bad idea.

実際のところ、それは悪くない考えですね

Express Satisfaction

Directions: First repeat after your tutor and then read aloud again by yourself.

I think that's an excellent idea.

I am totally impressed by your concept.

Brilliant idea! Let's go ahead with the idea.

I think that it is a great plan.

Good job. I think it's great.

Well done!

6 ACTIVITY

練習

Activity 1: Tell your tutor about some ideas you have about the following and listen to your tutor's opinion.

- a new phone that attaches to your wrist
- a solar powered computer

Activity 2 Express your opinion about your tutor's ideas.

- a computer chip that is inserted into your hand so you never have to carry a passport
- a refridgerator that orders food directly from the store
