**Client** : Very nice. Everything was fine throughout the flight.

**Matthew:** Your luggage is all here, isn't it?

How was the food?

Was it a smooth crossing?

Ms. Kim asked me to pick you up.

I hope you enjoy your stay here.

Activity 1: Talk about the last flight you took with your tutor. Was it a good flight? Was it for business? If so, did someone pick you up at the airport?

Activity 2: Pretend your tutor is the representative of one of your major clients, someone you have never met. Act out a role play where you pick up the client at the airport. Spend a few minutes to think of “small talk” questions you might ask the client. When you have finished, switch roles.
