## Customer Inquiry

To Whom It May Concern,

I am writing to inquire if W Hotel has any openings in the area of management. I am a recent graduate of University of California with a major in Hotel Management and I have long been interested in working for your company. Of course, being a recent graduate I am aware that only an entry-level position would be open to me, but that's quite acceptable.

I'm simply looking for a way to enter a field that I find fascinating. I would love to find out more about any relevant positions you have available.

If you are accepting applications, please reply and I can send you a resume via standard mail or e-mail. I have skills and training that I think could be of use to you. Thank you for your time.

Kind regards,

Milton Smith
