Lesson 7 おすすめスポットを提案する Can you suggest any good ____?

Conversation

Customer: Can you suggest any good places we could go while we're here?

Waiter : There is a wonderful park a few stops from here on the Yamanote line.

It has a different festival depending on the season and what flower is in

bloom. You should definitely go check that one out.

Customer : Sounds lovely! I will. What about other good places to eat? Do you

have any favorite places?

Waiter : There is a really delicious ramen shop on the other side of the station.

I often go there after work. But there is always such a long line. If you don't mind

waiting an hour or so, it's worth it.

Customer: If it's really that good, I'll give it a try.
