B : Of course. **Let me () it this way.** The VR online office allows employees to experience a lifelike working environment, as if they were in the office, without actually going there.

A : Our products are always in pink.

B : Yes, but it is such a sexist color. Who has decided that female products should be in pink?

A : You know what? () **it your own way.**

A : Alice is such a fun person. Even though it was the first time I met her at that convention, we hit it off right away.

B : It sounds great. **Did you () in touch with her?**

A : I'm thinking of getting a freediving license. What are the requirements?

B : **For one, you have to () your breath for more than a minute and half.** For another you need to dive under the sea vertically for 10 meters.
