

A : Jimmy's () the kitchen,
cooking us some food.

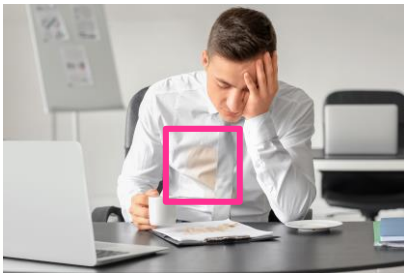

B : That's so nice of him. What's he making?

A : I think he's making pasta.

A : Hello, this is Janet from M. Corporate.
May I speak to George please?

B : Hello Janet. This is Samantha speaking,
his assistant. **George is () at
the moment.** May I take a message for
him?

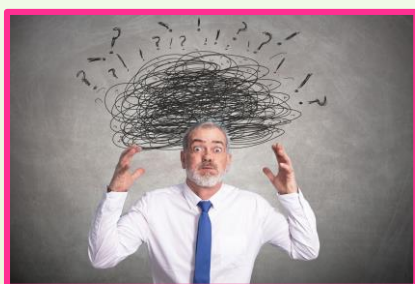

A : Oh no. **There is a stain ()
your shirt!**

B : That's embarrassing. Is there anything
I can use to take it off?

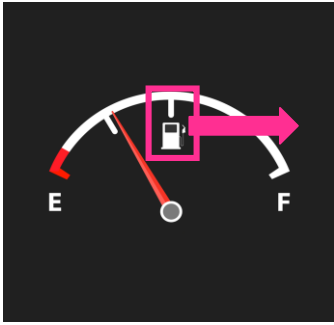

A : Hey! Welcome back. How was your
trip to Bali Island?

B : It was amazing. I went scuba diving and
saw a shipwreck. **The ship was sunk
during the war, 7 km () the
coast.**

A : **What do you mean you're ()
trouble?**

B : I handed in the contract to the client
yesterday. However, just now, I found
out that it has many typing errors!
What should I do?

A : Can you check the GPS to see if there is a gas station nearby? **The gasoline is running** () .

B : Sure. Let me see... Alright, there is one within 3 km.

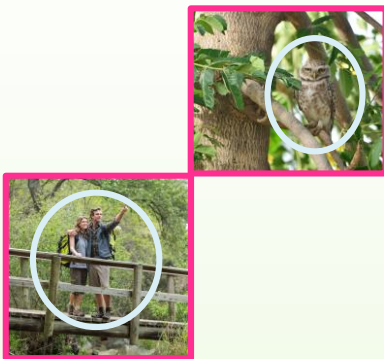

A : Have you finished all the papers for the X project?

B : No, not really. **But everything is** () **schedule**. Please don't worry about it.

A : What a surprise to see you here! How is your first year as a surgeon?

B : **I'm** () **duty today, so I figured why not go see a movie**. Honestly, I'm barely managing in the hospital. There is so much to learn and the schedule is really intense.

A : **How nice being out here** () **the woods!**

B : I know! Wow! **Is that an owl resting** () **the tree?** What a nice switch compared to the city concrete jungle.

A : The screwdriver? Which one do you want? There are so many different kinds of tools in this tool box.

B : It's very hard to describe. **Why don't you spread them** () **on the ground and I will tell you which one I want**.

A : My wife has been complaining that I snore a lot. It's not like I can control it.

B : **Well... maybe try sleeping () your side?** I am not an expert, but I heard that sleeping on your back can make the snoring worse.

A : Sakura season is so short.

B : Tell me about it! **I haven't seen them in full blossom yet and now the flowers are falling () the cherry trees.**

A : **Look, there is a woman walking () the rain without an umbrella.**

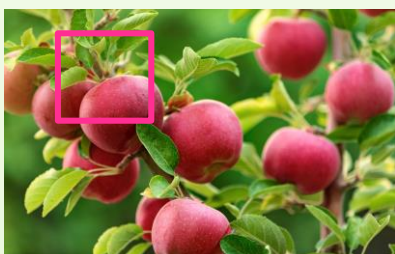

B : **That woman () a white sweater?**

A : Yeah. Shall we lend her one of our umbrellas? We can share one.

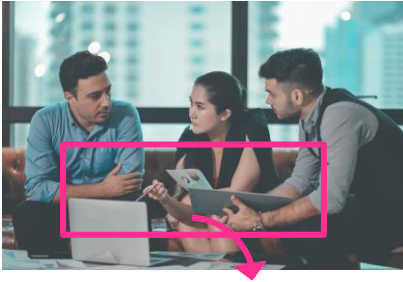

A : **Being () in the sun feels so good.**

B : Tell me about it! It's been raining for a whole week. Finally, some sunlight.

A : **Look at these apples () the tree.** They look so delicious. I wonder if I can pick one.

B : I don't think you can. This tree belongs to the landowner and you can't violate his / her property.

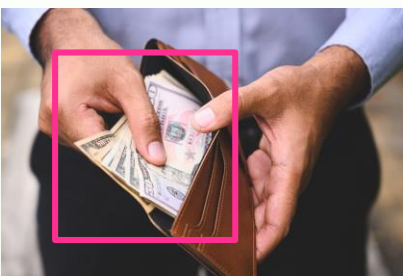

A : We need to plan fast, otherwise we are going bankrupt.
 B : But I worry that the pandemic is not going away soon.
 A : **You are getting** () **the subject.** I don't care how long the pandemic will last. I need ideas for doing business under the current circumstances.

A : Where are we?! It's like the middle of nowhere. **I can only find cattle** () **the field.** **The only way to locate us is that we can see small hills** () **the west.**
 B : Shall we ask for help?

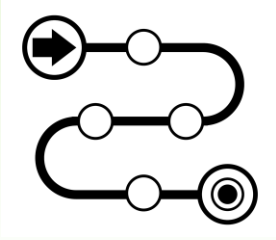

A : Ah, I am so frustrated! The latest draft of the business proposal is so bad that it hurts my eyes.
 B : Why don't you look at something else? **You know what they say:** () **of sight,** () **of mind.**

A : I would like to pay by credit card.
 B : I'm sorry, but we only accept cash.
 A : Ok... Let me see...
I think I have some cash () **me.**

A : I have been spending quite a lot this month....
 B : **But everything is 90 percent** () **this weekend!**
 A : 90?! I'm there!
