

A : How is the project going?

B : So () so good.

A : You must give it 100%. This project is the most important task for the company this year.

A : I think we should put our main force on the product developing this year, you see... Hey, are you () ?

B : Oh, I am so sorry. I got distracted. Please continue.

A : As I was saying...

A : Why did you talk to the client with such a bad attitude?

B : Well, he was rude in the first place. I just don't like him.

A : That's () . You have to remember the clients are always right.

A : Hey Cher, what's going on? You look sad.

B : Bob, the HR, said something really mean to me.

A : There, there. () me a smile. Let's talk it out.

A : Hey, can I ask you a favor? Can you drop these letters at the post office on your way home today?

B : No problem.

A : I'm counting () you.

A : A cockroach! There is a cockroach in the office!

B : () it to me.

A : Wow, you're brave.

A : Can I ask you something? It's about the field trip to London.

B : If you team me up with George, then the answer is no.

A : Just hear me ().

B : Alright, what is it?

A : The morning train was delayed for 20 minutes.

B : Were you guys late?

A : We were going to, but we () it.

A : Did you put on weight? You looked a little chubby.

B : **You're so** (_____). It is not okay to talk to people like that.

A : What are you drinking?

B : It is my breakfast smoothie. It is a mix of spinach, avocado, banana and Greek yogurt.

A : **That's** (_____).

B : Don't judge it until you try it.

A : **I feel a** (_____). Do you mind turning the heater on?

B : Of course not. You can also use my blanket if needed.

A : **Watch** (_____) ! You almost run into that old lady.

B : Thank you for the warning. You saved me from bumping into her.

A : I told you not to reply to emails on your phone while walking on the street.

A : What? We have to stay and work on New Year's Eve?

B : It () you so. The company is such a blood sucking monster.

A : You look sad. Are you alright?

B : My team leader said that I am not up to his requirement yet.

A : Cheer () ! He is strict with you because he puts high hopes on you.

A : Are you going to Okinawa for Christmas?

B : Yes, I leave on the 24th around 18:00.

A : What a () ! I'm traveling to Okinawa, too. Leaving the same day, around the same time.

B : That's incredible. If so, maybe we can share a cab to the airport.

A : Can you give my PowerPoint a look?

B : Of course. Let me see... Hmm... Don't get me () . It is overall great but the font is a little hard to read.

A : Your opinion is very valuable to me. Thank you.
